## Beth yw'r cynllun?

Ydych chi'n sefydliad a hoffai ddatblygu eich gweithlu presennol? Neu ydych chi'n unigolyn sydd yn edrych am gyfleoedd newydd, a hynny **yn rhad ac am ddim**? Mae hi'n bleser gan yr Urdd i gynnig hyfforddiant cyfrwng Cymraeg i sefydliadau ledled Cymru trwy ein Cynllun Prentisiaeth, sydd wedi'i ariannu gan Lywodraeth Cymru. Gall staff ymgymryd â phrentisiaeth wrth barhau gyda'u dyletswyddau presennol ac mi fydd y sefydliad yn elwa o'r sgiliau ychwanegol a enillwyd.

## What is the scheme?

*Are you an organisation that wants to develop your current workforce? Or an individual that's looking for new opportunities, **at no cost**? The Urdd are proud to provide Welsh medium or bilingual training for organisations across Wales through its Apprenticeship Scheme funded by the Welsh Government. Staff can undertake an apprenticeship whilst continuing with their current duties and the organisation would benefit from the additional skills that are developed.*
