<p>EXT - THE HILL. LATE EVENING</p> <p>We open on a dusky sky with stars flowing slowly across like a river. The camera descends to find DIGBY, GRUMPY and CHIPS are sitting together on the top of the hill. Grumpy is looking through telescope.</p>	<p>00:00:34:00</p>	<p>CHIPS (O.S.)</p> <p>Three Whole Wishes!? Are you sure it's tonight Digby?</p>
	<p>00:00:39:01</p>	<p>DIGBY</p> <p>(very excited) Yes... listen; "When a river of stars flows up high, A single star will fall from the sky. Catch that star on this magical night... And 3 wishes you'll have 'til the dawn's first light."</p>
	<p>00:00:54:13</p>	<p>CHIPS</p>

		'MAZING!!!
Grumpy is cynical.	00:00:55:23	GRUMPY First - stars don't give wishes and second, they don't just fall from the sky!
	00:01:02:00	CHIPS (extra-excited) Really Grumps? So what's that then?!
Grumpy looks up expectantly, thinking Chips has seen a falling star... Chips looks in the "starnoculars" - It's Grizel on Mungo flying in the distance.	00:01:05:07	GRUMPY Grizel and Mungo.
	00:01:06:20	CHIPS Hey? Oh yeah. Just testing!
EXT: SKY ABOVE APPLECROSS - LATE EVENING GRIZEL and MUNGO are soaring just above the canopy.	00:01:13:17	GRIZEL Ha! Look at them all down there - none of them can fly like us, eh, Mungo?
They pass out of sight of the 3 friends - Mungo looks back.	00:01:18:09	MUNGO Hooo no!
<CRASH> Mungo smacks into some foliage, they fall through the canopy and out of shot.		
EXT - THE HILL. LATE EVENING DIGBY, GRUMPY & CHIPS are lying in a circle on the hill.	00:01:24:18	CHIPS If I found the star, I'd wish for... Nuts!
	00:01:28:00	GRUMPY If I was going to wish for something, which I'm not, I'd quite like to see the stars up close.
	00:01:32:20	DIGBY I'd wish to be able to fly - fly to the stars and back... Maybe I could take you with me Grumpy!

	00:01:39:24	GRUMPY If goblins were meant to fly we'd have been given wings!
Chips is looking skywards	00:01:42:16	CHIPS Er, guys... Guys?
They look up - a star IS descending from the Star-river! Digby leaps up...	00:01:46:06	DIGBY <gasp> It's happening!
	00:01:47:19	GRUMPY I don't believe it.
	00:01:48:19	CHIPS Wishes here we come!
Chips and Digby dash off after the star.	00:01:51:16	GRUMPY (Monotone) I don't believe it! Wait for me!
He runs off after Digby and Chips.		
EXT. THE FOREST FLOOR GRIZELI is stomping along the forest floor, picking leaves out of her ears. MUNGO follows looking dishevelled and sheepish.	00:02:03:02	GRIZEL Gah! That's the nineteenth time you've crashed this week! You're so clumsy.
	00:02:08:08	MUNGO Sorry Grizel.
	00:02:10:16	GRIZEL From now on, I'm going to travel around Applecross by myself!
	00:02:14:11	MUNGO But Grizel, I...
	00:02:16:10	GRIZEL NO... I don't need you. I'll learn to fly MYSELF! Ha! That would really upset that Do-gooder Digby!
She cackles as she storms off into the woods. Mungo is left standing	00:02:26:18	MUNGO Oh. Maybe I am so clumsy.

alone in the dark woods looking mournful.		
He turns, and on his back, unbeknownst to Mungo - it's the star nestled in his back feathers!	00:02:37:22	MUNGO (CONT'D) <Sigh> I wish I had a different way of getting around...
A bright light glows ahead of Mungo, he looks up and sees a glowing bicycle and helmet. He looks at them in wonder.	00:02:45:15	MUNGO (CONT'D) Hoooo!
He dons the helmet and cycles around the woods.	00:02:56:04	MUNGO (CONT'D) Hold on! Hoo Hoooo
EXT. THE WOODS (NEAR THE SWAMP) CHIPS, DIGBY and GRUMPY are searching for the star.	00:03:09:24	CHIPS No actually, I'll have a million nuts for my first wish... Erm a billion nuts for my second wish... And for my third wish... Just one.
Digby looks at Chips confused	00:03:19:01	DIGBY Just one?
Leaping on Digby, Chips grins.	00:03:21:11	CHIPS One MASSIVE Nut the size of a PLANET!!
Digby <Laughs>	00:03:25:22	CHIPS (CONT'D) There's something glowing! The Star Digby! The star!!
He jumps down from Digby's head, races towards what looks like a bright light on the ground - he jumps to grab it, and... SPLAT! He lands in a puddle - the reflection of the moon beautifully glowing off the mud around him. Digby catches up, and suppressed a giggle.		
	00:03:39:13	CHIPS (CONT'D) <GROAN>

	00:03:40:11	DIGBY <Chortles> Come on, we'd better get back to searching.
	00:03:44:00	CHIPS Yeah. Not like the star is just going to come zooming past...
	00:03:47:07	MUNGO Heeeellllloooooooooooooo!!!!
Mungo comes zooming past over the puddle... A bit wobbly... Mungo doesn't stop, he cycles right past.	00:03:50:11	CHIPS (CONT'D) Wow, that bike's mazin' - it's even got a starry trail!
Digby's face morphs into one of realization.	00:03:54:12	DIGBY Huh <gasp> The wishing star.
They take off in the direction Mungo went.		
EXT. THE WOODS (NEAR THE CLEARING) GRUMPY approaches a glowing bush.	00:03:59:07	GRUMPY Aha!
Grumpy pulls the branches of the bush back... And reveals a small swarm of fireflies that quickly disperse...	00:04:02:06	GRUMPY (CONT'D) Fireflies?.. Oh toffee-apples!
Mungo whizzes past on his bike (diff. pose) behind him... Digby and Chips pass by... Chips stops to address Grumpy... He gesticulates frantically as he speaks.		
	00:04:07:15	CHIPS Oh Grumpy Come quick! Mungo! He almost bumped into me so I went "hey" then and I went "woah 'mazin' bike" and then Digby went and, and, and...
	00:04:18:22	GRUMPY

		... And?
	00:04:20:06	CHIPS MUNGO'S GOT THE STAR!
	00:04:22:17	GRUMPY Oh.
Chips dashes off.	00:04:24:07	GRUMPY (CONT'D) (Realises what Chips said) Oh!!
Grumpy sprints off too.		
EXT. A CLEARING. NIGHT Digby runs <PANTING> into a clearing with multiple exits. He pauses to take stock and get his breath back... ...only to have Mungo race towards him. He dodges out of the way. Mungo comes to a screeching stop.	00:04:34:20	MUNGO Oof! Sorry Digby... I'm not very good at stopping yet.
	00:04:39:20	DIGBY Yeah I noticed. That's a great bike Mungo!
Mungo nods enthusiastic, and straightens his helmet.	00:04:46:04	MUNGO Oooh - thank you Digby!
	00:04:48:06	DIGBY You didn't happen to ... Wish for it, did you?
Mungo pauses... Thinking hard...	00:04:51:14	MUNGO Um...
Digby <Laughs>.	00:04:53:11	DIGBY You caught the wishing star Mungo!
Mungo's face lights up in awe.	00:04:56:14	MUNGO Oo Oo Did I? Well, that's nice!
There is a beat...	00:05:00:10	MUNGO (CONT'D) What star?
Digby points. Mungo feels behind his back.	00:05:06:13	MUNGO (CONT'D) Ooooooh!
He takes it and marvels at it....	00:05:08:16	DIGBY

		You can wish for anything!
	00:05:11:08	MUNGO Ooh - I wish for - um, er... Blackberry and Apple Pie!
The star glows, and the pie appears...	00:05:21:24	DIGBY Wow!
	00:05:22:14	MUNGO Oooh hoo!
	00:05:23:12	CHIPS (O.S.) This way!
Chips enters... And splats into the pie!	00:05:28:15	CHIPS (CONT'D) Er, why is there a massive apple and blackberry pie in the middle of the wood?
Digby <Laughs>.	00:05:33:15	MUNGO Well, I wished for it!
	00:05:36:12	CHIPS ...So, I'm sat in a wish?
	00:05:38:07	DIGBY The second wish...
	00:05:39:22	GRUMPY (O.S.) Which means....
Grumpy enters shot – out of breath	00:05:42:23	GRUMPY (CONT'D) ...There's only ONE wish left!
	00:05:45:17	CHIPS I'm still OK to eat this yeah?
Chips says gesturing to the pie he's sat in. Grumpy tentatively sidles over to Mungo.	00:05:48:20	GRUMPY Err...Mungo can you wish for an ultra-powerful telescope, please!
	00:05:54:02	MUNGO Well...
	00:05:55:06	CHIPS (Eating) Hey! I want a giant nut!
	00:05:57:12	MUNGO Oh...

He is cut off as Grumpy jumps in,	00:05:57:14	GRUMPY I can see the stars better with an ultra-powerful telescope
Chips butts in again. As Mungo gets more and more disconcerted by the pleas. As the following goes on, Mungo exits still holding the star leaving the bike.	00:05:59:22	CHIPS But I need nuts! A billion nuts.
	00:06:02:08	GRUMPY I need the telescope more than you need nuts!
	00:06:04:15	CHIPS Nothing's more important than nuts!!!!
	00:06:06:09	DIGBY Hey!! <i>Mungo</i> caught the star. It's his wish, not ours!
	00:06:12:12	GRUMPY Nah, I suppose we were being a bit... Selfish
	00:06:15:23	CHIPS Yeah. We should apologize. Mungo, we're so...
They turn to look where Mungo was... but he is gone!	00:06:20:13	CHIPS (CONT'D) Mungo?!
EXT. THE CLEARING Mungo enters the clearing, looking forlorn. Suddenly Grizel holding two branches with leaves on them flaps and crashes in front of him.	00:06:24:01	MUNGO Ooo, hhhmmm.
He sees Grizel with her sad looking wings.	00:06:34:22	MUNGO (CONT'D) Grizel?
	00:06:36:18	GRIZEL OOOOF! - Ah Mungo... Um, I was err - Why are you glowing?

Digby, Grumpy and Chips run into shot.	00:06:42:21	DIGBY Mungo! We're sorry!
	00:06:45:21	CHIPS You caught the star, so you should have the wish!
	00:06:49:06	GRIZEL WISH!? What wish?
	00:06:51:23	MUNGO I caught a star Grizel. It can do wishes.
Mungo shows the star to Grizel. Her eyes light up.	00:06:57:23	GRIZEL <SIGH>
	00:06:59:14	GRUMPY It's Mungo's wish Grizel...
	00:07:01:22	GRIZEL Um Yeah. It <i>is</i> his wish....And he's going to wish for me to fly!
	00:07:07:01	DIGBY Well I'd like to fly too! But it's not my wish... It's Mungo's!
	00:07:11:14	CHIPS And if he wants to wish for nuts, well he can.
	00:07:14:21	GRIZEL You're just nuts about nuts!
	00:07:16:11	GRUMPY You're not really helping, Grizel!
	00:07:18:22	MUNGO (Loudly) Hellooooo...
They all turn to him expectantly, Mungo is disconcerted at them all staring. He calms himself then seemingly looks at Grizel to make his final wish.	00:07:21:20	MUNGO (CONT'D) I think - Err....Wishes are bestest shared!! I wish...I wish...I wish you could fly!
Grizel begins to glow and rises into	00:07:39:07	GRIZEL

the air.		Yes!!! Are you watching Digby?!
Digby and Chips start to glow and rise into the air too.	00:07:44:07	DIGBY (O.S.) Wha? - Haaaaa!
	00:07:45:12	GRUMPY Oh, no - oh no!
Grizel's face drops when she turns and sees that Digby and Chips are also beginning to rise into the air!	00:07:49:07	GRIZEL Oi - it was MY wish!
	00:07:51:10	CHIPS Woohoo, ha-hey!
	00:07:52:20	DIGBY <LAUGHS> Come on Grumpy! It's brilliant up here!
Grumpy is rising too - He desperately holds onto a rock - But his legs rise above his head... It's only a matter of time...	00:07:55:10	GRUMPY Grr - if you say so!
He lets go and starts to rise too.	00:07:58:18	CHIPS 'Mazin!
With a growl, Grizel is determined she can fly higher and speeds off after them. Mungo looks on delighted that he's the source of so much happiness.	00:07:59:19	GRIZEL Grrr. If we're all going to fly, I'm going highest.
EXT. APPLECROSS WOODS! The gang soar through the Applecross woods. Joyful <WALLA> from Digby, Chips as they soar. <GROANS> from Grumpy! They swoop and swerve between trees, chasing one another.	00:08:06:20	DIGBY/CHIPS/GRUMPY Wahooo. Wow. etc
Digby <LAUGHS>.	00:08:10:07	CHIPS I can see my house!

EXT. THE STARRY SKY Chasing higher into the sky, they fly up into the star-river, racing, spinning and having fun. Grumpy is still eyes closed.	00:08:12:21	DIGBY Grumpy, open your eyes!
Grumpy opens his eyes and looks at the sky in awe.	00:08:17:13	GRUMPY Oh ok... The stars! (In awe) Up close! Beautiful!
Digby and Chips fly to his side and they soar through the sky together.	00:08:32:04	DIGBY <Laughter> Wooo hooo!
Digby, Chips and Grumpy over take Grizel, sending her into a spin. She rights herself and races on after them.	00:08:35:02	GRIZEL Oh, Oh! Hey! Grr.
	00:08:38:20	Digby/Chips/Grumpy <Laughter>/ Woo hoooo! / Yeah! / Woo, yeah!
Chips crashes into a tree top, Grumpy and Digby stop, concerned for their friend. Chips pops back up carrying a load of nuts!	00:08:50:15	CHIPS NUUUUUTTS!
DIGBY <Laughs>		
Grizel zooms past Digby.	00:08:59:10	Grizel See ya, losers!
	00:09:02:21	DIGBY <Laughter> This is amazing!
As they fly, we can clearly see that the sea of stars is beginning to fade... Dawn is breaking! Only Grumpy has noticed and appears to have remembered something! He shouts over to Digby, who is staring mesmerized at the stars around	00:09:11:11	GRUMPY Digby? Didn't you say the wishes only last until the morning?

him.		
...the sky begins to lighten in the East!	00:09:15:03	DIGBY Yes... Ah.
	00:09:18:17	DIGBY (CONT'D) Woaaaaahhh!
All come to a halt in the sky... They are suspended for a moment comically before they begin to fall!	00:09:19:01	CHIPS Digby?? Woahhh!
	00:09:20:18	GRUMPY I knew this was a bad idea!
Digby manages to grab Chips, his little wings provide enough power to allow a slow(ish!) descent.	00:09:30:20	CHIPS Woaahhh!
Digby grabs Grumpy too.	00:09:32:21	DIGBY Grumpy!
We see Grizel falling from high.	00:09:34:15	GRIZEL Oi? What about me...?!
	00:09:37:03	GRIZEL (CONT'D) Waaaaaaaaaah!
Just then we see Mungo swoop with a WOOSH! - saving Grizel at the last moment, pulling up into a little loop-de-loop before landing gracefully. The others all land messily <walla> around Mungo, and begin to praise him!	00:09:50:04	DIGBY Ah thanks Mungo! That was brilliant.
	00:09:54:24	CHIPS Just 'mazin'!
Mungo blushes, and smiles.	00:09:58:09	GRIZEL Thanks... Come on, let's go home.
Mungo is elated he's useful again! With a giggle he waves at the gang and takes off	00:10:02:10	MUNGO Oh goody! Bye, bye!!

	00:10:06:10	GRUMPY Thanks, Mungo!
	00:10:06:18	CHIPS Bye, Mungo.
	00:10:07:10	DIGBY Bye.
They all wave as Mungo takes off into the sky, and out of sight. Digby sighs and smiles at his friends around him	00:10:08:21	DIGBY (CONT'D) Aw that was the best! I can't wait until I can fly for real!
	00:10:14:03	CHIPS Flying's great, but next time there's a wish, can we just agree we're wishing for nuts, alright?
We hear their conversation as they walk off.	00:10:21:03	CHIPS (CONT'D) When will another star fall Digby?
	00:10:22:24	GRUMPY Yeah - I quite enjoyed that.
They start to disappear over the horizon.	00:10:25:03	DIGBY Oh... Probably not for another hundred years!
	00:10:29:10	GRUMPY (O.S.) Typical.
