Dragon Netball is the game for primary school children in Wales and progresses to the full adult game. WNA philosophy behind Dragon Netball is to encourage participation with the emphasis on fun, safety and development appropriate to the age and level of the player. Modifications are made in the application of the rules, equipment used and the game structure. Coaches, umpires and providers of junior netball competition need to know, understand and abide by the rules relating to Dragon Netball to ensure the safety, enjoyment and development of young players WNA believes the game sits well with the requirements of Key stage 2 of the National Curriculum for girls in Years 5 and 6 (ages 9-11 years) and it is the only game recommended by WNA for players of this age.

Dragon Netball Rules

Adult rules apply and are coached, however the following conditions are encouraged:

- Relax the 3 second rule (up to 5 seconds) to allow players time to gain their balance and make decisions - which take longer at this level
- Relax the footwork rule, allow players to gain balance, not progress down the court.
- Players are allowed to defend on court and are also allowed to defend the shot. Players must be 3ft away from the landing foot
- Relax the replayed rule, particularly if playing outside in wet / cold conditions
- Enforce the contact rule
- Do not penalise for incorrect throw-ins, instead - explain to players if needed.
- Allow players a moment to get back 'on-side', penalise if the player remains in an offside area and impacts on the non-offending team
- Guide players on the rules relating to toss ups to help players take up their correct positions
- Explain all decisions using simple language
- Encourage all players on both teams by acting in a supportive manner
- Relax the uniform code to allow players to wear track pants and long sleeved tops (in team colours whenever possible) on colder days. Allow also for players of other cultures to wear acceptable standards of dress
- Ensure that the teams are playing with a size 4 ball and the goal posts are at the correct height of 2.6m (8'6")
- Game scores can be recorded but are not read out at the breaks or the end of the game
- Allow up to 2 minutes to have a drink at the end of each break and change bibs. Allow up to 3 minutes for the half time and change of ends unless the game is played in thirds
- Encourage quick replacement of an injured player if necessary. Play should resume as quickly as possible after ensuring the injured player is in no danger of further injury
- The section of the post which protrudes above the ring (when the posts are lowered) is 'out of court', a throw in is awarded to the opposition

- (h) Regain possession of the ball, having dropped or thrown it before it has been touched by another player.

Penalty: Free Pass

The footwork rule is relaxed for Dragon Netball.

- (a) A player may receive the ball with one foot grounded or may jump to catch and land on one foot. While that landing foot remains on the ground the other foot may be moved in any direction and any number of times, pivoting on the landing foot if desired. Hopping is not allowed.
- (b) A player may receive the ball whilst both feet are grounded, or may jump to catch and land on both feet simultaneously. The player may then choose to move either foot and the

remaining foot shall then be considered to be the landing foot. Proceed as in (a) above.
Penalty: Free Pass

Scoring a Goal:

A goal is scored when the ball passes completely through the ring from top to bottom. A goal may only be scored by the Goal Shooter or the Goal Attack playing the ball from any part of the shooting circle

Defending, Obstruction and Contact:

When a player is holding the ball, the distance on the ground between that player's landing foot and the nearer foot of an opponent must be at least 3 ft. Netball is a non-contact game. No player shall knock or push an opponent or interfere with his/her play, either accidentally or deliberately.

Penalty: Penalty Pass or Shot

Out of Court:

A ball is out of court when it, or a player touching it, touches the ground or an object outside the court. The line counts as part of the court. A throw-in is awarded to the opposing team. If the ball hits the post and bounces back into court, it is still in play

The Throw-in:

The throw-in is taken at the point where the ball crossed the line. Any player allowed in that part of the court may take the throw-in and must stand outside the court with both feet behind the line. When the player taking the throw-in has checked that all other players are on court, she/he must release the ball within 5 seconds

Offside:

A player is offside if she/he enters an area of the court in which she/he is not allowed.
Penalty: Free Pass

A free pass is awarded to a team for any infringement of the rules except obstruction and contact. A player may not shoot directly from a free pass

A Penalty pass or shot is awarded to a team against any player causing obstruction or contact. A player may shoot if the penalty is awarded inside the circle. The offending player must stand still beside the player taking the pass.
