

Science Project

Create a science project in the fields of science, design and technology, engineering or mathematics. The focus of the project should be in the form of Research, Investigation or Presentation.

Competitors are permitted to use projects/profiles submitted to Crest, EESW or similar if they wish.

The work should be presented through the medium of Welsh either electronically or on paper.

Competitors can choose their own themes, and please see the following websites for ideas:

www.britishscienceassociation.org/crest-awards or www.stemcymru.org.uk

Competitors are expected to present a report up to:

- 1,000 words in Years 7-9
- 2,500 words in Year 10 and under 19 years old

The project should be sent to the Eisteddfod Dept, Glan-llyn Residential Centre, Llanuwchllyn, Y Bala, Gwynedd LL23 7ST or cyfansoddi@urdd.org by the closing date **1 March 2015**. All competitors must be members of the Urdd for the year 2014/15. You can register on our website urdd.cymru.

Some successful groups might be invited to exhibit their work in the GwyddonLe Science Pavilion at the Urdd National Eisteddfod 2015.

Please Note: In order to receive a Crest Award, teachers must have registered the pupils in advance, and there is a cost associated with this.

For more information please go to www.gweld-gwyddoniaeth.co.uk, www.stemcymru.org.uk or contact crest@gweld-gwyddoniaeth.co.uk / 029 2080 1644.

- Science Project – Years 7-9 (Individual or Group)
- Science Project – Year 10 and under 19 years old (Individual or Group)
