

Lliwiau'r logo

Mae tri lliw craidd ar gael: Siarcol, Gwyrdd a Choch. Gellir defnyddio'r lliwiau hyn ar draws pob cymhwysiad, o adroddiadau i stondinau arddangos.

Mae defnydd deallus o ofod gwyn hefyd yn bwysig iawn. Gall sicrhau bod cynlluniau yn fwy ystyriol, clir a deniadol.

Os bydd angen, gellir defnyddio gwerthoedd arlliwiedig o'r lliwiau hyn lle y bo'n briodol i greu ymddangosiad ysgafnach.

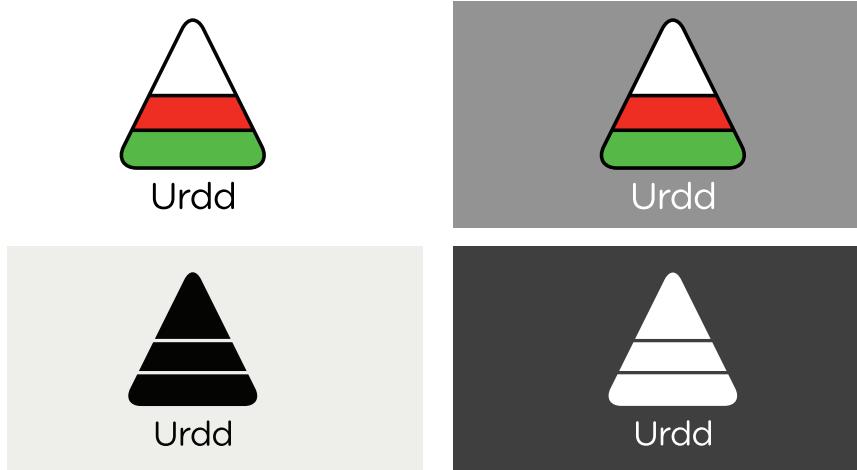

Logo colours

Three core colours are available: Charcoal, Green and Red. These colours can be used across all applications, from reports through to display stands.

Informed use of white space is also very important it can make designs become more considered, uncluttered and engaging.

Tinted values of these colours can be used where appropriate to create a lighter approach if desired.

PWYSIG

Dim ond pan fo'n fater o gost y gellir defnyddio'r fersiwn du neu wyn o'r logo. Er enghraifft, argraffiad argraffu un lliw, neu pan fod eglurdeb yn broblem.

IMPORTANT

The black or white versions of the logo may only be used where cost is an issue. For example, one-colour print runs, or where legibility would be an issue.
