Lluniwyd y pecyn yma ar eich cyfer i helpu ysgolion cynradd ac uwchradd, ynghyd â grwpiau ieuenctid, i wneud gwaith ar y thema bwysig yma. Yn y pecyn, byddwn yn cynnig gwybodaeth am sut i werthfawrogi pobl Ddu, Asiaidd ac o gefndiroedd y mwyafrif byd-eang yng Nghymru, a sut gallwn ni weithredu diwylliant gwrth-hiliol yn ein bywydau bob dydd.

BETH YW NEGES HEDDWCH AC EWYLLYS DA YR URDD?

Ers 1922, mae'r Urdd wedi cynhyrchu neges o [Heddwch ac Ewyllys Da](#) wedi'i chyfleu i ddechrau drwy god Morse, yna gan Wasanaeth y Byd y BBC, ac yn fwy diweddar drwy gyfryngau digidol, gyda'r nod o uno plant ledled y byd a'u cefnogi i alw am fyd tecach, mwy cyfartal a mwy heddychlon.

Bob blwyddyn ers 1922, drwy gyfnodau anodd, rhyfeloedd byd a chyfnodau o ddirwasgiad mawr, mae'r Urdd wedi creu neges flynyddol i estyn allan i'r byd gyda thema wahanol o heddwch ac ewyllys da. Dros y blynyddoedd, mae'r themâu wedi cynnwys y bom atomig, ffoaduriaid, tlodi, rhyfel, trais, cydraddoldeb i fenywod a merched a'r argyfwng hinsawdd.

Mae Neges Heddwch ac Ewyllys Da yr Urdd ar gyfer 2023 yn canolbwyntio ar Wrth-hiliaeth.

BETH YW GWRTH-HILIAETH?

A beth yw'r gwahaniaeth rhwng bod yn 'anhiliol' a bod yn 'wrth-hiliol'?

Gwrth-hiliaeth ydy gweithio yn erbyn hiliaeth i wneud newidiadau sy'n hyrwyddo cymdeithas deg.

Mae hyn yn gofyn am y canlynol:

- **GONESTRWYDD**
- **HUNAN-YMWYBYDDIAETH**
- **DEALLTWRIAETH**
- **YMDRECH**
- **EMPATHI**

Mae pobl yn aml yn credu ar gam fod peidio bod yn hiliol yn ddigon. Y broblem gyda'r safbwynt yma yw nad yw pobl yn deall yn llawn y materion sefydliadol a strwythurol sy'n cynnal goruchafiaeth pobl wyn ac yn cyfrannu at ymddygiadau, agweddau a pholisïau hiliol.

Mae dweud "ond dydw i ddim yn hiliol" hefyd yn caniatáu i bobl osgoi cymryd rhan mewn gwrth-hiliaeth. Mae'n ffordd o ddweud "nid fy mhroblem i yw hynna".

Problem arall yw bod ymchwil wedi canfod bod pobl sy'n credu nad ydyn nhw'n hiliol yn aml yn llawer mwy rhagfarnllyd nag y maen nhw'n meddwl ydyn nhw. Dyna pam mae Llywodraeth Cymru wedi creu strategaeth i symud i fod yn wlad wrth-hiliol erbyn 2030.

Yn ôl Llywodraeth Cymru, 'Hiliaeth' yw:

Term am drin pobl yn wael neu'n annheg ar sail eu hil.

Mae'n hiliaeth pan fydd rhywun yn defnyddio geiriau neu weithredoedd i wahaniaethu yn erbyn pobl oherwydd lliw eu croen, eu hiaith, eu crefydd neu eu diwylliant.

Beth yw braint pobl wyn?

Yn ôl erthygl gan Cory Collins yn y cylchgrawn ar-lein Learning for Justice, 'mae braint pobl wyn yn bodoli oherwydd hiliaeth a thueddiadau hanesyddol, parhaus'. O bethau syml fel gallu prynu cynhyrchion gwallt a chroen sy'n addas i chi yn hawdd, i beidio cael eich cau allan o gyfleoedd swydd oherwydd eich enw, mae braint pobl wyn yn golygu gwell cyfleoedd bywyd. Hyd yn oed os yw rhywun gwyn wedi wynebu llawer o heriau yn eu bywyd, nid yw lliw eu croen yn gwneud pethau'n anoddach.

YSTADEGAU:

- Mae **94.8%** o boblogaeth **Cymru** yn disgrifio eu grŵp ethnig fel Gwyn. Roedd hyn yn amrywio fesul rhanbarth, o **97.3%** o'r boblogaeth yn y **gogledd** i **93.3%** yn y **de-ddwyrain**.
- Mae **5.2%** o'r boblogaeth yn disgrifio'u hunain fel **Asiaidd, Du, 'Grwpiau ethnig cymysg/ lluosog'** neu **'Grwpiau ethnig eraill'**. Y rhai sy'n disgrifio'u grŵp ethnig fel Asiaidd yw'r grŵp ethnig mwyaf yng Nghymru (2.4% o'r boblogaeth).
- Dros y **chwe blynedd** diwethaf, mae cyfran y boblogaeth sy'n disgrifio eu hunain fel **Asiaidd, Du, 'Grwpiau ethnig cymysg/ lluosog'** neu **'Grwpiau ethnig eraill'** wedi **cynyddu'n gyson** ar draws pob rhanbarth.
- Roedd canran y bobl a nododd eu bod yn **Wyn** yn cynyddu yn ôl grŵp oedran (o **91.0%** ar gyfer y rhai **o dan 16 oed**, i **99.0%** ar gyfer y rhai **65 oed a hŷn**). Ond roedd y patrwm yma'n mynd i'r gwrthwyneb ar gyfer pob grŵp ethnig arall.

PAM DEWIS THEMA GWRTH-HILIAETH YN 2023?

Troseddau Casineb; Addysg; ac Iechyd Meddwl

Dewiswyd y thema yma gan bobl ifanc Cymru oherwydd eu bod nhw'n teimlo'r angen i sicrhau bod pawb yn gweithredu mewn modd gwrth-hiliol, er mwyn creu gwlad, a byd, sy'n fwy cyfartal i bawb.

Yn anffodus, mae hiliaeth yn dal i fodoli yng Nghymru ac ar draws y byd. Yn y flwyddyn a ddaeth i ben ym mis Mawrth 2022, cofnodwyd 155,841 o droseddau casineb gan yr heddlu yng Nghymru a Lloegr, sef cynnydd o 26% ers y flwyddyn a ddaeth i ben ym mis Mawrth 2021 (124,104 o droseddau). Roedd 109,843 o droseddau casineb hiliol ac 8,730 o droseddau casineb crefyddol.

Fel mewn blynyddoedd blaenorol, roedd mwyafrif y troseddau casineb wedi'u hysgogi gan hiliaeth, gan gyfrif am dros ddwy ran o dair o'r holl droseddau o'r fath (70%; 109,843 o droseddau). Cynyddodd troseddau casineb a ysgogwyd gan hiliaeth 19% rhwng y flwyddyn a ddaeth i ben ym mis Mawrth 2021 a'r flwyddyn a ddaeth i ben ym mis Mawrth 2022.

“Mae ffeithiau anghydraddoldeb hiliol yn system addysg Cymru bellach wedi'u tystiolaethu a'u dogfennu'n dda. Mae cyrhaeddiad plant a phobl ifanc o rai cymunedau Lleiafrifol yn cael ei rwystro gan gwricwlwm sydd wedi methu â chynrychioli eu hanes, a chyfraniadau eu cymunedau, ddoe a heddiw ... cânt eu rhwystro gan brofiadau o hiliaeth yn eu bywyd ysgol bob dydd. Rhaid i hyn newid.”
- Yr Athro Charlotte Williams (Llywodraeth Cymru 2021)

Mae'r elusen iechyd meddwl 'Mind' yn dweud:

Gall hiliaeth gael effeithiau dychrynlyd ar iechyd meddwl, gan wneud i rywun deimlo:

Yn unig, yn ynysig neu nad oes croeso iddynt. Yn enwedig os yw pobl neu sefydliadau wedi dweud neu awgrymu nad ydych chi'n perthyn.

Yn bryderus, yn ofnus ac yn anniogel. Efallai y byddwch chi'n poeni am sut mae pobl yn mynd i'ch gweld a'ch trin.

Yn ddig neu'n rhwystredig, yn enwedig os ydych chi wedi cael eich trin yn annheg, ac os ydych chi'n teimlo'n analluog i'w reoli.

Gall profi hiliaeth achosi hiliaeth fewnol. Mae hyn yn golygu bod â barn negyddol amdanon ni ein hunain oherwydd ein hil, ac mae'n gallu arwain at hunan-werth isel a phroblemau iechyd meddwl.

Mae hyn i gyd yn rhoi unigolion o dan straen ac yn gallu cael effaith fwy hirdymor sy'n cynnwys problemau iechyd corfforol, fel cynnydd mewn pwysedd gwaed.

INTRODUCTION

Welcome to the Urdd's Peace Message education pack, on the theme of **Anti-racism**. This pack is published in conjunction with S4C.

The education pack was created to help primary and secondary schools, as well as youth groups, to work on this important theme. In the pack, we provide information on how to value Black, Asian and global majority people in Wales, and how we can implement an anti-racist culture in our everyday lives.

WHAT IS THE URDD'S MESSAGE OF PEACE AND GOODWILL?

Since 1922, the Urdd has produced a message of [Peace and Goodwill](#), communicated initially via Morse code, then by the BBC World Service, and more recently via digital media, with the aim of uniting children throughout the world and supporting them to call for a fairer, more equal and more peaceful world.

Every year since 1922, through difficult times, world wars and periods of great depression, the Urdd has created an annual message to reach out to the world with different themes of peace and goodwill. Over the years, the themes have included the atomic bomb, refugees, poverty, war, violence, equality for women and girls and the climate crisis.

The Urdd's Message of Peace and Goodwill for 2023 focuses on Anti-racism.

How to support BEFORE May 18:

WHAT IS ANTI-RACISM?

And what is the difference between being 'non-racist' and being 'anti-racist'?

Anti-racism means working against racism to make changes that will promote a fair society.

This requires:

- **HONESTY**
- **SELF-AWARENESS**
- **UNDERSTANDING**
- **EFFORT**
- **EMPATHY**

People often mistakenly believe that not being racist is enough. The problem with this view is that people do not fully understand the institutional and structural issues that uphold white supremacy and contribute to racist behaviours, attitudes and policies.

Saying "but I'm not racist" also allows people to avoid engaging in anti-racism. It's a way of saying "that's not my problem".

Another issue is that research has found that people who believe they are not racist are often much more prejudiced than they think they are. That is why the Welsh Government has created a strategy to move towards being an anti-racist country by 2030.

According to the Welsh Government, 'Racism' is:

A term for treating people badly or unfairly on the basis of their race.

When someone uses words or actions to discriminate against people because of the colour of their skin, their language, their religion or their culture.

What is white privilege?

According to Cory Collins in an article in the online magazine Learning for Justice, 'white privilege exists because of historic, enduring racism and biases'. From basic things like being able to easily buy hair and skin products that suit you, to being shut out of job opportunities because of your name, white privilege means better life chances. Even if a white person has faced many challenges in their life, the colour of their skin does not make things more difficult.

STATISTICS:

- **94.8%** of the population of **Wales** describe their ethnic group as White. This varied by region, from **97.3%** of the population in the **north** to **93.3%** in the **south-east**.
- **5.2%** of the population describe themselves as **Asian, Black, 'Mixed/multiple ethnic groups'** or '**Other ethnic groups**'. Those who describe their ethnic group as Asian are the largest ethnic group in Wales (2.4% of the population).
- Over the past **six years**, the proportion of the population describing themselves as **Asian, Black, 'Mixed/multiple ethnic groups'** or '**Other ethnic groups**' has increased consistently across all regions.
- The percentage of people who identified themselves as **White** increased by age group (from **91.0%** for those **under 16**, to **99.0%** for those aged **65 and over**). But the opposite pattern was seen for all other ethnic groups.

WHY CHOOSE THE THEME OF ANTI-RACISM IN 2023?

Hate Crimes; Education; and Mental Health

This theme was chosen by the young people of Wales because they feel the need to ensure that everyone acts in an anti-racist way, in order to create a country, and a world, that is more equal for everyone.

Unfortunately, racism still exists in Wales and across the world. In the year ending March 2022, **155,841 hate crimes** were recorded by the police in England and Wales, an increase of **26%** since the year ending March 2021 (124,104 crimes). There were 109,843 race hate crimes and 8,730 religious hate crimes.

As in previous years, the **majority of hate crimes** were motivated by racism, accounting for over two-thirds of all such crimes (**70%; 109,843 crimes**). Racially motivated hate crimes saw an increase of 19 per cent between the year ending March 2021 and the year ending March 2022.

“The facts of racial inequality in the Welsh education system are now well evidenced and documented. The attainment of children and young people from some Minority communities is being hampered by a curriculum that has failed to represent their histories, and the contributions of their communities, past and present... they are hampered by experiences of racism in their everyday school life. This must change.” – Professor Charlotte Williams (Welsh Government 2021)

Mental health charity Mind says:

Racism can have detrimental effects on mental health, making people feel:

Unwelcome, lonely or isolated. Especially if people or organisations have said or implied that you don't belong.

Anxious, fearful and unsafe. You may worry about how people are going to perceive and treat you.

Angry or frustrated, particularly if you're being treated unfairly, and if you feel powerless to control it.

Experiencing racism can cause internalised racism. This means holding negative views about ourselves because of our race, and it can lead to low self-esteem and mental health problems.

All of this puts individuals under stress and can have a more long-term impact including physical health problems, like increased blood pressure.

THE WELSH GOVERNMENT'S OBJECTIVES

TO BE AN ANTI-RACIST WALES BY 2030

The Welsh Government promises to promote the rights of Black, Asian and Minority Ethnic people to be respected; work together, as white people and people from ethnic minorities, to make changes together to improve Wales; develop a common understanding, and agree steps to tackle racism; and celebrate the differences and similarities between ethnic minority communities, where we are united and not separated by the things that make us different.

Mae modd darllen mwy am strategaeth Gwrth Hiliaeth Llywodraeth Cymru yma:

The hope is to create an inclusive Wales by meeting the following objectives:

- Black, Asian and ethnic minority people will no longer have to suffer racism in society.
- Seeing every way of life being heard and stood up for.
- No longer being anxious about racism.
- It will no longer be necessary to go on marches to ensure that voices are heard.
- People receiving the right services for their needs.
- Being seen as Welsh, without people asking "Where are you from?"
- Knowing that they are being recruited for their skills.
