Gwrth-hiliaeth
Anti-racism

GALW. NIHW. ALLAN.

CALL. THEM. OUT.

Rhanna. Cefnoga. Gweithreda.

Share. Support. Take action.

Call. Them. Out.

Open your eyes,
It's time to dismantle systemic racism,
and realise
that racism still exists.

Hate towards the way we look
and not enough respect to our differences
and beauty,
differences that weave in unity, with our identity and our
Welshness.
We need to see fair and equal representation
in our schools..
in our jobs..
in our communities..
across the world.

So, we call out so that our voices can be heard.
We call out for safe spaces to build new communities.
We call out to raise awareness over our friends and their
backgrounds.
It's time for the attitude towards our skin colour to change.

We need to encourage kindness and educate
To promote acceptance and to improve relationships
between us all.

There's no room for racist remarks.
If you hear them, you must
Call. Them. Out.
There's no room for prejudices.
If you see them, you must
Call. Them. Out.
